FUEL PIZZA MEANS REAL FOOD

FUEL Pizza is committed to real food for real people. No pre-fab pies here. We make our dough daily from unbleached, unbromated flour and our sauce with vine-ripened tomatoes. We use antibiotic-free chicken, local veggies when possible, bake our own in-house desserts and provide gluten-free pizzas. We also use recycled paper products, reclaimed and recycled building decor and we recycle our fryer oil -- and everything is served with a smile. Enjoy!

Thank you for letting us serve you!
 Be sure to stop by one of our filling stations!
